## Shepherd's Garden's Trust:

Independent Living Residents— exceptional suites, recreational and pastoral programming.

*We are working on recreational and pastoral programming geared towards our current and future Independent Living residents. We will be connecting you with community resources and continuing our residents favorite regular programming based on the November 2021 Resident surveys! We will also be implementing new programming throughout the year on a daily basis. Your suggestions are highly appreciated.*

*You may notice some programming on the calendar does not require a Coordinator. Residents are encouraged to take part of their communities and gather safely.*

## New Suites—Have a Friend Who Is interested?

*Our new suites will feature laminate flooring, in suite washer and dryers and walk in showers!*

## CUBIGO

*Residents and Family can sign up with CUBIGO for all latest updates in our facility and free online Seminars. Check the community bulletin boards in the Inn and Manor for updates. Email: [cubigo@shepherdscares.org](mailto:cubigo@shepherdscares.org)*
